*For handicap purposes for all Tee Timers 9-Hole Interclub, participating clubs and golf professionals have agreed to the following stroke control format:*

<u>Par</u>	<u>Maximum Allowed</u>
3	6
4	8
5	10

**The 9-hole stroke control has been established as double par per hole as the maximum strokes allowed per hole. (i.e., On a Par 4, with two strokes on the hole, the maximum number of strokes you will take before picking up will be 10; i.e., double par plus your two stroke handicap on the hole.) NOTE: This format is for interclub play only.**
